A GOLF EXPERIENCE LIKE NO OTHER

It's one of the best-known icons in golf – the world-famous Floating Green on the 14th hole of The Coeur d'Alene Resort Golf Course.

A day of golf here is on every golfer's bucket list. You arrive by wooden boat, are greeted by your personal forecaddie, where you can enjoy a pre-round sports massage before hopping into your luxury golf cart with a touchscreen GPS.

The lake is a gorgeous backdrop, as well as a formidable challenge. The expertly groomed course will complement your game.

RELAX, REFRESH AND REJUVENATE

The Coeur d'Alene Resort Spa is an elegant space of waterfalls, fireplaces, and lake views. MSNBC calls this "The world's most romantic spa" and Conde Nast Traveler places it on their Gold List as one of America's top resort spas.

The theme of water runs throughout, with wonderful Vichy waterfall massages and the SilverTag shower, an exquisite mix of 18 showerheads. There are even waterbed massage tables in the couple's suite. Come indulge all your senses with one of our signature treatments.
